

1/19/2005 (email from Briant)  
Bill,

I have worked on the loadings and have better numbers. I was able to get the totals to do loads the way I normally do them. I have listed answers to the questions you asked on 12/17 with respect to the 3A tracer:

# Deliberative Process / Ex. 5

(See attached file: HFLFLoadZnT.pdf)(See attached file: HFLFLoadCdT.pdf) (See attached file: HFLFLoadCuT.pdf)(See attached file: HFLFLoadMnT.pdf)
